Subject: Proposed Rent Payment Plan

Dear Jiang Chang and Ruoming Wang,

We hope you are doing well. We are writing to propose a payment plan regarding the outstanding rent balance. Beginning this month, we will pay the regular monthly rent of \$2,250.

In addition, we will make a minimum extra payment of \$1,000 each month toward the arrears. If our circumstances permit in any month, we will also make additional payments to further reduce the outstanding balance as quickly as possible.

We appreciate your patience and understanding as we work to resolve this matter and keep our payments consistent moving forward.

Thank you very much for your consideration.

Sincerely,
Mahendran Ramasamy
Varshan Mahendran
