Subject: Disconnection Notice for 414 KAYAK ST

Dear JIANG CHANG,

Our records indicate that a payment of \$214.89 on account 03454086449780148926 for 414 KAYAK ST is past due. If you have already made this payment, you can disregard this notice.

If payment is still outstanding, please contact us immediately at 613 738-6400. Customer Service representatives are available to assist you Monday through Friday between 8:00 a.m. and 8:00 p.m., and Saturday between 9:00 a.m. and 3:00 p.m.

Hydro Ottawa offers many different options to allow you to make simple, on-time payments by telephone, online, in-branch banking, credit card, cheque or money order.

We also offer a number of programs designed to help residential customers experiencing difficulty with paying their electricity bill. They include:

- An **Arrears Payment Agreement**, which gives you more time to pay outstanding balances.
- An **Equal Monthly Payment Plan**, which spreads your electricity payments evenly over 12 months, helping you with your budget.

If you are an eligible low-income customer, you may qualify for the following additional assistance:

- The **Ontario Electricity Support Program (OESP)**, which provides a monthly credit to the accounts of eligible low-income customers. You can apply at [OntarioElectricitySupport.ca](http://OntarioElectricitySupport.ca) or get information by calling 1-855-831-8151.
- The **Low-Income Energy Assistance Program (LEAP)**, which provides emergency financial assistance. You can apply at [uwsimcoemuskoka.ca/leap](http://uwsimcoemuskoka.ca/leap) or by calling 1-855-487-5327.

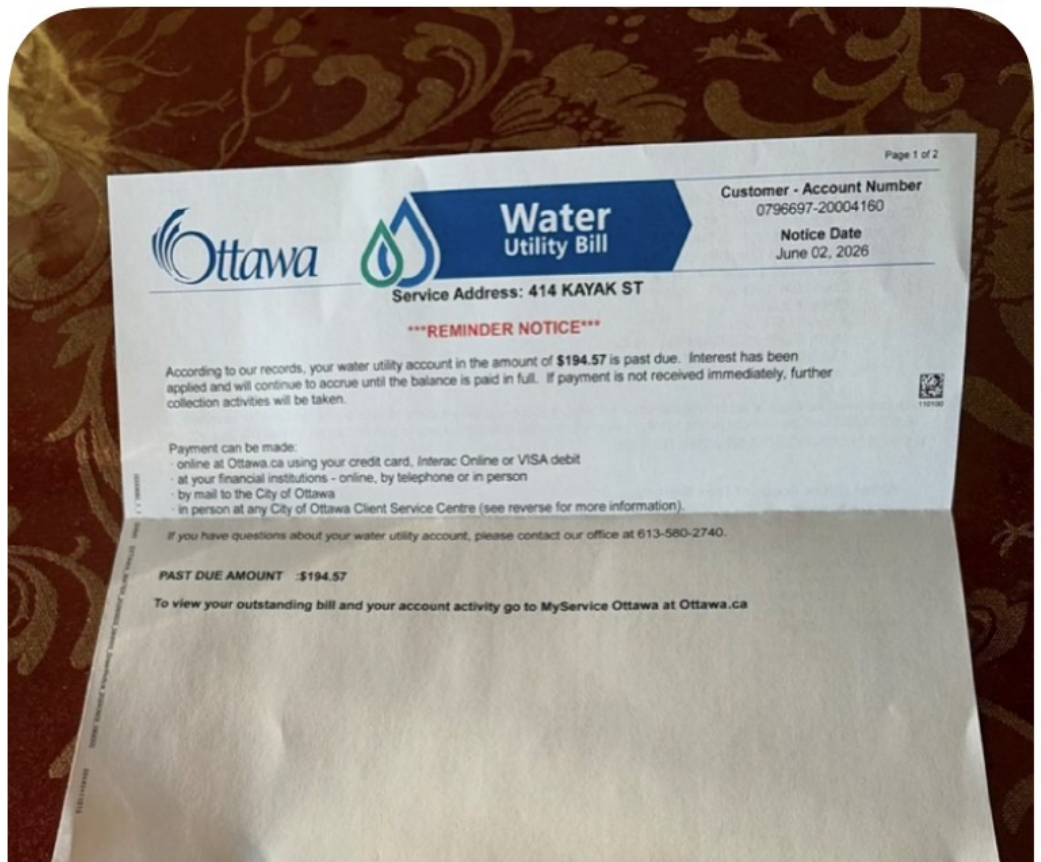

For program information and eligibility requirements, visit [hydroottawa.com/financialassistance](http://hydroottawa.com/financialassistance).

If your payment is not received, your electrical service could be disconnected between June 24, 2026 and July 7, 2026. To prevent disconnection, please ensure that your payment is received before June 23, 2026. You will receive one more reminder by telephone, 48 hours before disconnection.

**Usage history**

The bar chart displays usage history in litres per day for the months of the year (J, F, M, A, M, J, J, A, S, O, N, D). The y-axis ranges from 0 to 45. The legend indicates three data series: 2024 (blue bars), 2025 (dark blue bars), and 2026 (hatched bars). Usage for 2024 and 2025 is generally lower, with a peak in March 2024. Usage for 2026 is only shown for August and November, both showing significantly higher values than the previous years.
